Please give the officers and board members all your help this coming year to make 2008 a great year for the Glass City Water Ski Club.

One again the members want to thank Jason & Mary Beth for hosting the Christmas party. I believe that everybody had a great time. There are pictures of the Christmas party on your website at www.glasscitywaterski.org We are also looking for your boat pictures to be posted on the site. Forward your pictures to Asa and he will update the site.

The meeting ended at 9:00pm.

Just a reminder that you can save \$10.00 on your 2008 dues if you pay before the January meeting. That would be \$90.00 for a family and \$80.00 for an individual. Send your money to the new treasurer Denise Wright. Do it today & save some \$'s. We made the Toledo Blade and Channel 13 news on 12-22-07

SANTA IN HIS WAKE ON MAUMEE RIVER : Forget the sleigh, the eight tiny reindeer, and snow-covered rooftops. This Santa is traveling by wake board. Brent Skiver, 19, of Toledo took a trip down the Maumee River near Perrysburg Saturday with other members of the Glass City Waterski Club. Mr. Skiver said the group usually skis up to nine months a year, but during this run, he could only go for about five minutes at a time before the cold temperatures made his hands go numb.
